

OUR PACKAGES UNWRAPPED

Here's how they work:

Firstly, we work with you to select the appropriate hearing aid that suits, your lifestyle and your hearing loss best, and then spend time fitting it with precision.

Our experience shows that what you need from your hearing aid will change over time. That's why we include 6 monthly follow up appointments and regular hearing assessments to check it's still meeting all your needs, and helping you live life to the full.
